

## Basic instructions for the foreign students

Dear Students, you've probably asked yourself where to find your study timetable.

**Preparatory department:** you can obtain it at the department, same education building, where you study.

**Exchange students:** your timetable will be provided by your USUE mobility coordinator within 2 weeks after your arrival.

**Bachelor, Master degree program:** since you've already finished your Russian language preparatory course, you should use following link:
